**Fashion Doll: “Parisienne” with Micro-photographs**  
about 1868  
Rochard, Antoine Edmond  
(French, b. 1836)  
Bisque swivel head with flat-cut neck on corresponding bisque shoulder plate, cobalt blue glass inset eyes, dark eyeliner, delicately-painted lashes and brows, accented nostrils, closed mouth excepting a very small opening between the outlined lips, pierced ears, early blonde human hair with interwoven braids and coronet, kid poupée body with gusset-jointing, stitched and separated fingers. The shoulder plate is decorated with a painted gold necklace that is comprised of an elaborate gold chain with interspersed gilt circles serving as frames for the glass domed Stanhope images within. The head is designed with a semi-circular cut-out at the back of the head, an oval cut-out at the back shoulder plate and the tiny mouth opening, all designed for illumination when viewing the Stanhope images. She is wearing a silk costume in Second Empire style, embellished with lace.

**Poupée with Extensive Trousseau**  
ca. 1867
