Character Doll - Mother
ca. 1920
Moss, Leo (American, late 19th/
early 20th century)
Paper mache shoulderhead of
adult woman with strong
elongated throat an slightly-
modeled bosom, sculpted tightly-
curled hair with defined crown
and having two very thick braided
coils at the sides of the face, very
thick black sculpted brows with
shaded detail, small brown glass
inset eyes, angular nose with
flared nostrils, closed mouth with
gentle smile which stretches to
form cheek dimples, row of
sculpted teeth, on later-added
brown cloth body, antique calico
dress, apron, undergarments,
leather shoes.
"Thelma"
Early 1920s
Moss, Leo (American, late 19th /early 20th century)
Black-complexioned paper maché head depicting a gentle-faced child with slight smile, black sculpted hair brushed from sides of her face and forming into two very thick vertical braids at the back of head, daintily-sculpted black brows, brown glass inset eyes with black outline, closed mouth with hint of smile, impressed dimples in cheeks, nicely shaped chin and nose, brown muslin torso, brown composition limbs, antique costume.

Character Doll - Boy
Early 1900s
Moss, Leo (American, late 19th /early 20th century)
Black-complexioned paper maché head with tightly-curled textured sculpted hair, round brown glass inset side-glancing eyes, thickly-sculpted short brows, rounded broad nose, closed mouth with full lips, very plump cheeks, brown composition and wooden fully-jointed body, antique boy's costume.

Painted bisque head, painted eyes, mohair wig, leather body with wood joints

Shirley Temple
ca. 1930
Ideal Doll and Toy Co.
Fashion Doll: “Parisienne” with Micro-photographs

about 1868
Rochard, Antoine Edmond
(French, b. 1836)
Bisque swivel head with flat-cut neck on corresponding bisque shoulder plate, cobalt blue glass inset eyes, dark eyeliner, delicately-painted lashes and brows, accented nostrils, closed mouth excepting a very small opening between the outlined lips, pierced ears, early blonde human hair with interwoven braids and coronet, kid poupée body with gusset-jointing, stitched and separated fingers. The shoulder plate is decorated with a painted gold necklace that is comprised of an elaborate gold chain with interspersed gilt circles serving as frames for the glass domed Stanhope images within. The head is designed with a semi-circular cut-out at the back of the head, an oval cut-out at the back shoulder plate and the tiny mouth opening, all designed for illumination when viewing the Stanhope images. She is wearing a silk costume in Second Empire style, embellished with lace.
